

Ecole Campbelltown Traffic Management Plan

- Parents will now use the former bus loop to conduct pick up/drop off.
- Do not block the centre travel lane in the pick up/drop off area. If there are no spots found after entering that area, exit and use Conifer Street to loop back around or as an alternative pick up/drop off area.
- Please use marked and signed crosswalks when crossing Conifer Street.
- Please yield right of way to buses attempting to exit bus zone onto Conifer Street.
- Downslope of pick up/drop off area exit is extremely icy during winter conditions. Exercise caution when exiting.
- Please remember it is dangerous and illegal to park within 5m of a crosswalk or the access of the pick up/drop off area.

Traffic Flow	←
Bus Zone	Yellow
Visitor Parking	Green
Staff Parking	Light Green
No Parking/ No Stopping	Red
Drop off/ Pick up Zone	Cyan
