

# St Lukes Catholic School Traffic Management Plan

Strathcona County  
Fire Station 2

- If you are dropping off/picking up your student when buses are in the lot, please only do so in the space immediately in front of the crosswalk, so your child can utilize the crosswalk to pass between the buses. Ensure that you do not block the crosswalk for others who are trying to use it.
- Once the buses leave, parents are welcome to use the bus zone for drop off/pick up.
- Parents and students should never walk between the buses.
